

Fisheries Liaison and Activity Questionnaire

Danbrit Ship Management Ltd, on behalf of Narec, are conducting a current review of the fishing activity in the coastal area around Blyth. As part of this review we are looking for information from fishermen regarding their use of the coast between Amble and North Shields. We would be most grateful if you could take just a few minutes to complete the questionnaire below and send it back to us in the stamped addressed envelope provided.

Please also ensure you complete the contact details section in this questionnaire.

Alternative you can download the form online at the following location
